Corporate Profile

NetEase, Inc. is a leading internet technology company in China. Dedicated to providing online services centered around content, community, communication and commerce, NetEase develops and operates some of China's most popular PC-client and mobile games, e-commerce businesses, advertising services and e-mail services. In partnership with Blizzard Entertainment, Mojang AB (a Microsoft subsidiary) and other global game developers, NetEase also operates some of the most popular international online games in China.

Online Games

NetEase has produced some of China's most renowned and longest running online PC-client games, including *Fantasy Westward Journey II* and *New Westward Journey Online II*, as well as other highly successful games, such as *Tianxia III*, *Heroes of Tang Dynasty Zero* and *Ghost II*. In partnership with Blizzard Entertainment, Inc., NetEase operates some of the most popular international online games in China, including *World of Warcraft®*, *Hearthstone®: Heroes of Warcraft™*, *StarCraft® II* and *Diablo III®: Reaper of Souls™*.

NetEase has also achieved marked success in the mobile games market, both with self-developed titles such as *Onmyoji*, *Battle to the West*, *The World HD* and the mobile version of *Fantasy Westward Journey*, and also with licensed games.

E-commerce

NetEase has diverse portfolio of services available to Chinese consumers on both desktop and mobile including Kaola.com and Yanxuan, NetEase's cross-border and private label e-commerce businesses.

Advertising Services

NetEase offers multi-platform access to a broad array of free and fee-based community and communication services, including websites, content channels, YiChat social instant messaging application, NetEase Mobile News Application, Youdao dictionary and Youdao cloud note-taking service. This integrated network of high-quality services provides a cost-effective platform for advertisers to reach NetEase's large and loyal user base.

E-mail Services and Others

NetEase is one of the largest providers of free e-mail services in China, offering advanced features such as voice search and facial recognition. NetEase also offers fee-based premium e-mail services for corporate users.

Other online products offered include an online payment system Wangyibao, and online video entertainment services: Bobo and CC.
