

NetEase Games' First VR Open World Cross-Platform Multiplayer Game - Nostos is released Worldwide

GUANGZHOU, China – Dec. 7th, 2019 – NetEase Games today released Nostos, a cross-platform multiplayer game for PC & VR in an open world setting. Since its first appearance at Gamescom 2018, the game has gone through several test phases for optimization and is now finally ready to unveil itself. The full version of the game will not only offer a complete storyline and task list for each avatar chosen, but also introduce new gaming modes that had never shown in the beta version before. There will be at least 10 hours of gameplay available for players to go in quest for the truth of the world of Nostos.

Nostos Steam Store Page: <https://store.steampowered.com/app/943150/Nostos/>

In Nostos, players will become pioneers to explore a world that is archaic and filled with mysteries.

Walking through abandon cities, historical sites, and the wild, Pioneers need to scavenge for clues and survival supplies. Teaming up with others is a crucial part of survival, to collect, craft, build up a tribe for conquering the unknown world of Nostos.

Players who purchase the full version will be able to experience:

- Main Storyline related missions for each avatar chosen composed by complete and unique 12 hours gameplay.
- The theme of Nostos is to explore the carefully crafted magical world, while being able to climb, to drive, to hunt and to build.
- Introducing the Boss Battle for those who love a little bit more of the tension and challenge.
- The newly released exploration mode allows players to try out their survival skills in the wild.
- Collectable items such as various skins and tools will be available for players to acquire for completing tasks or in-game decorations.
- Fully debugged and optimized VR operation and combat stimulation with enhanced graphics and realistic visual rendering.

The full version of Nostos will be available in English, Chinese, Japanese for first phase of OB, German, French and Russian will become available in future updates.

Players who follow Nostos on social media will be able to enter a lucky draw for a free access code to the full version! Stay tune!
