"We are overjoyed to bring *Marvel Rivals* to players around the world. We have always loved Marvel's universe and its characters, and we are so excited to develop this game," said the *Marvel Rivals* Producer, Stephen Wu. "This is the game we want to make, and we feel very lucky to be the team who made all of this come true."

"NetEase Games is excited to collaborate with Marvel Games to deliver a thrilling, fast-paced cooperative gameplay experience featuring all of your favorite Super Heroes," said Ethan Wang, Senior Vice President, NetEase, Inc. "This partnership with Marvel Games continues our commitment to build world-class development teams and reach global audiences with cutting edge experiences."

"*Marvel Rivals* is one of our most ambitious game development projects. Since the conceptualization of the game and throughout our collaboration, our Marvel team has poured our hearts and souls into this project, and we are thrilled to work with the incredible team at NetEase Games to help deliver the ultimate Super Hero Team-Based PVP Shooter," says Jay Ong, EVP and Head of Marvel Games.

*Marvel Rivals* will feature the following:

**A Deep and Varied Marvel Roster:** Choose from a vast array of fan-favorite and cult-classic Marvel Super Heroes and Super Villains from across the Avengers, Guardians of the Galaxy, X-Men, and many more from across the Marvel Multiverse. With the Alpha Test in May, players will have access to more than a dozen playable Super Heroes and Super Villains, including iconic characters such as Black Panther, Spider-Man, Magneto, and Magik.

**Fast and Fun 6v6 Action with Ever-Changing Game Dynamics:** With intricate environments, fast-paced gameplay, and ever-changing battlefields, there's never a dull moment in *Marvel Rivals!* Battle as Super Heroes and Super Villains with incredible abilities and combine your powers to bring unexpected fun to the battlefield in a matter of seconds.

**Dynamic Hero Synergy:** Coordinate unique combinations between characters to ignite surprising Team-Up Skills! Unleash the synergy of combined superpowers and invent new tactics that can turn the tide of combat. Ride on Groot's back as Rocket Raccoon to take on your enemies as a dangerous duo, unleash Gamma energy as Hulk to charge Iron Man's armor for massive damage, and so much more!

**Creative Environment Destruction:** Tear your way through iconic Marvel worlds across destructible environments! From Asgard to the Tokyo of 2099, use superpowers to alter these environments, reshape the terrain, and craft a strategic advantage on the battlefield. Take cover to dodge attacks or use makeshift weapons to strike down enemies. Players will find countless ways to utilize the environment to claim victory!

**Continually Evolving Universe and Robust Post-Launch Updates:** The Marvel Multiverse brings infinite possibilities! Each seasonal drop will introduce new Super Heroes to the battlefield along with challenging and diverse maps! Unlock new content to implement across various gameplay strategies while experiencing thrilling action and endless possibilities in these adventurous team battles!

*Marvel Rivals* features a storyline crafted by the NetEase writing team where the merciless clash between the tyrannical dictator Doctor Doom and his future counterpart from the year 2099 has forced countless universes to collide in the Timestream Entanglement, creating new worlds and crises still unknown. Now, Super Heroes and Super Villains from across the multiverse must fight together and against one another as disparate groups seek to defeat both Dooms before one achieves domination of these realities. Familiar faces become newfound foes while former enemies become the greatest of allies in *Marvel Rivals*!
